

'FULL-ON'

A Men's Group: Exploring & Embracing Our Gender, Biology, & Being.

*I invite you to explore, relate, and 'just be' from
That deep, honest, simple place within.
That place is both 'man', & more..*

*My intention in offering this group is to invite a deepening into
the unconditioned through engaging and radically accepting
what is conditioned and male in each of us, toward increased
aliveness, ease, and connection within oneself, and in
relationship with others.*

*10 week commitment, meeting weekly on Saturdays 1-2:30
in the inner Richmond*

*Cost is \$35 per session, to be paid in monthly installments,
in advance*

*Group begins Saturday, April 3rd and runs through
Saturday, June 5th*

*New Perspectives Center for Counseling
5026 Geary Blvd.
supervised by Michael Baugh, LCSW 9324*
